No, no, a thousand times no!
... Well, maybe!

Well Howdy!

STUDENT LIFE

So Kristie, you say you want
my body?

It's Woodie Da
Wabbit!

A junior and she still sucks her
thumb!

The senior flytrap.

Simple things please simple minds.

The magic man.

What's a Cummla?

Greg Stelten?

There she is, isn't she a fox!!

Things people will do for a picture.

My prayers have been answered.

Surgeon General Warning: This is an effect of caffeine

This picture doesn't need a caption!

I knew I shouldn't have eaten that pie!

Get it *off* my face!

They do this in College?

Hey, guys, I *can't* do Lou Ferringol

Lunch rooms have got to be the most boring places!

You wouldn't dare!

You try teaching this!

Look at that wiggle!

In Mr. G. or Mr. K.'s office?

Me? Against Gordy?

Well, trends *do* change.

If it's got to be a picture, take it of my better side.

Cheryl Tiegs, watch out!

Hey, quit making me go SPLAT!

What did I just shake hands with?

Some people *do* study!

Freshmen!

I don't believe it. I saw a UFO!!

Don't be a bugger, eat a booger

Up chuck!

They're happy!?!

What are you looking at?

A typical Willmar case!

He's definitely not a "32"

So tell me I'm "beautiful"

Say What?!!

I hate it when he makes us do this.

If you could just stay little until your Carter's wear out.

No, it's not playgirl!

It won't fit!

Don't shoot! He's not in season.

Come on guys, stop it!

A prime example of a coocoo Co-coa Puff Bird.

Leave me alone, I've had a hard night

HOMEcoming '80

Homecoming week started off with a soccer game. The seniors challenged the underclassmen. The seniors barely lost in Sudden Death, they should have offered Mr. Meyer more Diane Ohman won first place in *Join the Army* day, and the seniors finally put the underclassmen in their place. *LAST!!*, in the Olympics. The volleyball and cross country teams did fantastic, and the football team crushed Rocori 27-6.

Twass the day before X-mas and all through the halls, not a student was stirring not even a Desautel. Their coats were all hung in their locker with care, in hope that vacation soon would be there. The kids were all restless while chained to their desks, while visions of celebrating danced in their heads

FESTIVAL

CORONATION

Sno-Daze Week 1981 was full of fun right up to the end. Monday featured one of the strangest contests ever to hit AHS, wrestler leg-identification day. Whoever won spends too much time watching legs. On Tuesday everyone showed up in their favorite Jersey. All day the guys had to use all their charm to get the girls to talk to them (and hand over ribbons too). Career day on Wednesday revealed some rather strange characters: Greg Salk and Alex Herda starred as punk rockers, Lori Cigelski as your friendly, neighborhood canibal, but the hit of the day had to be Dezi the NUN, (wonder what convent accepted her)! The Seniors got off to a slow start at the Olympics but, of course, the Seniors won hands down and unharmed. (Which is more than can be said for the Sophomores!) The girls' basketball team beat Rocori to retain their undefeated title. The wrestling team didn't fare as well against Rocori at home. Mark Weitalla, Mike Peternell, and Pete Schmidt did beat their opponents and Gordy Court pinned his man. Friday was the big day with Coronation of King Tom and Queen Peg, skits (won by Ahab the Arab), a pep fest, the Purple Jug (won by the Seniors, whoelse), an exciting basketball game against Sauk Centre (which Albany won) and a great half-time show by the Royal Guard and Band. The Dance, featuring "RINGS", finished off the week.

Kelly, can I have the ball this time?

As Seniors, we will always remember the years of hard work and dedication that helped us reach our goal of being state champions. We appreciate all the support we have received from our parents and our great fans.

The players would also like to thank the coaches for all the help they have given us. We would like to take this opportunity to dedicate our past season to *Myron Way*, a loyal and outstanding fan.

Take a break, Bucky.
